WHOLESALE GIFT CATALOG 2012-2013

Our Message...

It seems most sentiments come from the passage of time... Looking back on a 50 year marriage, saving baby mementos to remember our joy, writing down memories from earlier days to share with our children and their children. Once again, The Grandparent Gift Co. has created new gifts that celebrate and remember these cherished times. We have new gifts for twins and triplets, christian/inspirational products (†), Spanish language gifts, fun plaques for grandparents and more. Please join us this year in celebrating the gift of time and recognizing those who make our time here meaningful. *Teri Harrison*
